ABOUT MARTIAN EDUCATION CONSULTANTS

Guiding Your Global Career with Clarity & Integrity

Martian Education Consultants is an education advisory firm dedicated to helping students and families navigate the complexities of international admissions and visa requirements. We believe that every student has a unique trajectory: our counsellors evaluate academic backgrounds, budget considerations, and long-term career goals to recommend the right institutions and genuine study destinations.

Ethical Advisory

No unrealistic claims or false guarantees; honest and verified guidance only.

Accredited Partners

Connecting students with recognized universities across key global study hubs.

Document Precision

Rigorous review of SOPs, academic records, and visa compliance checklists.

THE STUDENT JOURNEY ROADMAP

Our Proven 6-Stage Process for Study Abroad Success

01

Profile Assessment & Consultation

In-depth review of academic history, work experience, English proficiency, and budget to identify top-fit destinations.

02

University & Program Shortlisting

Carefully curated selection of target, realistic, and safe universities with verified eligibility and course curriculum.

03

Test Preparation (IELTS / PTE / Duolingo)

Structured coaching programs designed to meet or exceed university English language benchmark scores.

04

Application & Documentation Support

Professional assistance with Statement of Purpose (SOP), Letters of Recommendation (LOR), and direct portal submissions.

05

Offer Acceptance & Visa Preparation

Guidance on unconditional offer acceptance, fee transfers, CAS/I-20 issuance, and meticulous visa documentation filing.

06

Pre-Departure Briefing & Onshore Transition

Guidance on accommodation, student health insurance, international currency exchange, and cultural adjustment.
